Subject: August 5 Columbia Falls Visit Follow up

Dear Mark,

I hope that you enjoyed the wedding. I wanted to follow up on our conversation on Monday about a community meeting in Columbia Falls on August 5. First, I apologize but I did not correctly remember the date of the planned CFAC CLP open house. It was actually planned for September and not August. Second, in our CLP meeting Thursday night, the CLP decided to move the open house to October because they did not feel that they had enough information to share with the public and because September was going to conflict with the start of school. Third, during the CLP meeting Thursday night, the members expressed a strong interest in hearing from EPA soon. Thus, I don't think that we are going to be able to coordinate our meetings and it makes sense for EPA to have a public availability on August 5.

Best regards,

Andrew
